

RESCUE ♥ CARE ♥ REHOME

NEW & EXCITING VOLUNTEER POSITION!

♥ Volunteer Challenge Initiative

ROLDA is seeking creative volunteers to take part in our "Volunteer Challenge" initiative — designing and promoting environmentally friendly shelters for vulnerable animals.

This role combines innovation, sustainability, and animal welfare, helping create practical solutions that can support animals in Switzerland and in the regions where ROLDA operates, including **Romania, Ukraine, and Palestine**.

LOCATION:
REMOTE

REPORTS TO:
REGION-SPECIFIC
COORDINATOR
(SWITZERLAND)

YOUR ROLE:

Eco-Shelter Design: Design and build weather-resistant dog or cat shelters using recycled or repurposed materials, with a focus on sustainability and durability.

Creative Innovation: Develop practical, low-cost shelter models that can easily be reproduced using accessible materials.

Promotion & Awareness: Share and promote these eco-friendly shelter ideas with animal shelters and rescue organisations across Switzerland, encouraging adoption of sustainable solutions.

Public Engagement: Use the project as a creative awareness campaign that highlights the link between environmental responsibility and animal welfare.

Strategic Placement: Identify and propose suitable locations where these shelters could be placed (with permission), providing protection for stray or vulnerable animals.

International Application: Help develop models and concepts that could also be replicated in the regions ROLDA supports, including Romania, Ukraine, and Palestine.

Brand Visibility: Incorporate the ROLDA logo into the shelter design to help increase awareness of the organisation's mission and work.

WHAT WE'RE LOOKING FOR:

Creativity & Innovation:

Volunteers who enjoy building, designing, or inventing practical solutions using recycled materials.

Environmental Awareness:

A strong interest in sustainability and reducing waste through creative reuse.

Hands-On Mindset:

People who enjoy working on practical, DIY-style projects.

Initiative:

Ability to propose ideas, test solutions, and explore ways to expand the project.

Passion for Animal Welfare:

A genuine desire to help improve the lives of vulnerable animals.

WHO SHOULD APPLY?

- ✓ Creative thinkers, designers, builders, students, or DIY enthusiasts.
- ✓ Individuals passionate about environmental sustainability and animal welfare.
- ✓ Volunteers who enjoy innovative challenges and hands-on projects.
- ✓ People interested in contributing ideas that could be replicated internationally.

WHY VOLUNTEER WITH ROLDA?

This initiative offers a unique opportunity to combine **creativity, sustainability, and humanitarian action**. Volunteers can help develop practical solutions that protect vulnerable animals while also raising awareness of ROLDA's mission.

By contributing to this challenge, you'll help inspire environmentally responsible approaches to animal welfare — **locally in Switzerland and internationally where ROLDA supports animals in need.**

TOGETHER,
WE CAN BUILD A
BETTER FUTURE
FOR ANIMALS
AND OUR PLANET.
